Annual Financial Statements for the year ended 28 February 2019

Trustees' Responsibilities and Approval

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with Namibian Generally Accepted Accounting Practice NAC001: Financial Reporting for Small and Medium Sized Entities. The external auditor is engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with Namibian Generally Accepted Accounting Practice NAC001: Financial Reporting for Small and Medium Sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the board of trustees sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 29 February 2020 and, in the light of this review and the current financial position, They are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditor is responsible for independently auditing and reporting on the trust's annual financial statements. The annual financial statements have been examined by the trust's external auditor and their report is presented on page 4.

The annual financial statements set out on page 6, which have been prepared on the going concern basis, were approved by the board of trustees on 23 July 2019 and were signed on its behalf by:

Ps Moses Muyunda (Chairperson)

Independent Auditor's Report

To the trustee of Adventist Development and Relief Agency Namibia

Opinion

I have audited the annual financial statements of Adventist Development and Relief Agency Namibia set out on pages 7 to 14, which comprise the statement of financial position as at 28 February 2019, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies.

In my opinion, the annual financial statements present fairly, in all material respects, the financial position of Adventist Development and Relief Agency Namibia as at 28 February 2019, and its financial performance and cash flows for the year then ended in accordance with basis of accounting as set out in Note 1 to the financial statements and the requirements of the Namibian Generally Accepted Accounting Practice NAC001: Financial Reporting for Small and Medium Sized Entities.

Basis for opinion

I conducted my audit in accordance with International Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the annual financial statements section of my report. I am independent of the trust in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code) and other independence requirements applicable to performing audits of annual financial statements in Namibia. I have fulfilled my other ethical responsibilities in accordance with the IESBA Code and in accordance with other ethical requirements applicable to performing audits in Namibia. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The trustees are responsible for the other information. The other information comprises the detailed income statement set out on pages 15 which I obtained prior to the date of this auditor's report.

My opinion on the annual financial statements does not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.

In connection with my audit of the annual financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Independent Auditor's Report

Responsibilities of the trustees for the Annual Financial Statements

The trustees are responsible for the preparation and fair presentation of the annual financial statements in accordance with basis of accounting as set out in Note 1 to the financial statements and the requirements of the Namibian Generally Accepted Accounting Practice NAC001: Financial Reporting for Small and Medium Sized Entities, and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Annual Financial Statements

My objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the trustees with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Adventist Development and Relief Agency Namibia

(Registration number: WO233)

Annual Financial Statements for the year ended 28 February 2019

Trustees' Report

The trustees have pleasure in submitting their report on the annual financial statements of Adventist Development and Relief Agency Namibia and its associates for the year ended 28 February 2019.

1. The trust

The Adventist Development and Relief Agency International (ADRA) is the worldwide humanitarian agency of the Seventh-day Adventist Church. Initiated for the specific purposes of individual and community development and disaster relief, ADRA International fulfills this primary directive of its charter without regard to race, gender, and political or religious affiliation

2. Review of financial results and activities

The annual financial statements have been prepared in accordance with Namibian Generally Accepted Accounting Practice NAC001: Financial Reporting for Small and Medium Sized Entities. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the trust are set out in these annual financial statements.

3. Trustees

The trustees in office at the date of this report are as follows:

Trustees

Ps Moses Muyunda (Chairperson)
Mr Edward Barone (Vice Chairperson)
Mr Frank Mukube (Secretary)
Mrs Mandy Solomon
Mr Jabulani Ncube
Prof John Mfune
Mr Wishes Nyoni
Mrs Noreen Ngenda
Ps Franciscus Matamu
Ps Milan Kashandula
Mr Reuben Masasa
Mr Morgan Simasiku
Mrs Dorothy Maloboka
Dr Charles Chata
Dr Simon Levita
Mr Bevin Kabuwanwa
Mr Dusken Munalisa

The following trustees vacated office as their tenure in office came to an end on 30 June 2018; Ps Gert Feris, Mr Albert M Lushetile, Mrs Elizaberth Kiangi, Mrs Caroline Kamushinda, Ms Gloria Siseho, Ms Anna Erastus, Mr Tebs Xulu, Mr Chris Mukubonda, Mr Silvanus Lubasi, Mr Joseph Mbuche, Dr Reginah Rutakata, Mr Ntesa Mahoto, Mr Caston Mwaramba, Mr Leonard Mukanwa and Ms Margaret Siyunda.

The following trustees were appointed to the board of trustees on 1 July 2018; Mrs Dorothy Maloboka, Mrs Mandy Solomon, Mr Jabulani Ncube, Prof John Mfune, Mr Wishes Nyoni, Mr Edward Barone, Mrs Noreen Ngenda, Dr Charles Chata, Dr Simon Levita, Mr Bevin Kabuwanwa and Mr Dusken Munalisa.

4. Events after the reporting period

The trustees are not aware of any material event which occurred after the reporting date and up to the date of this report.

5. Terms of appointment of the auditor

Taziwa Consulting continued in office as auditor of the trust.

Annual Financial Statements for the year ended 28 February 2019

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the accounting policies as set out below. The annual financial statements have been prepared on the historical cost basis, except for biological assets at fair value less point of sale costs. They are presented in Namibia Dollar.

These accounting policies are consistent with the previous period.

1.1 Property, plant and equipment

Property, plant and equipment are tangible assets which the trust holds for its own use or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Cost includes costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Expenditure incurred subsequently for major services, additions to or replacements of parts of property, plant and equipment are capitalised if it is probable that future economic benefits associated with the expenditure will flow to the trust and the cost can be measured reliably. Day to day servicing costs are included in surplus or deficit in the period in which they are incurred.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the trust.

The useful lives of items of property, plant and equipment have been assessed as follows:

Item	Depreciation method	Average useful life
Computer equipment	Straight line	3 years
Computer software	Straight line	5 years
Furniture and fixtures	Straight line	5 years
Land and buildings	Straight line	25 years
Office equipment	Straight line	5 years
Tools	Straight line	5 years

When indicators are present that the useful lives and residual values of items of property, plant and equipment have changed since the most recent annual reporting date, they are reassessed. Any changes are accounted for prospectively as a change in accounting estimate.

Impairment tests are performed on property, plant and equipment when there is an indicator that they may be impaired. When the carrying amount of an item of property, plant and equipment is assessed to be higher than the estimated recoverable amount, an impairment loss is recognised immediately in surplus or deficit to bring the carrying amount in line with the recoverable amount.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in surplus or deficit when the item is derecognised.

Adventist Development and Relief Agency Namibia

(Registration number: WO233)

Annual Financial Statements for the year ended 28 February 2019

Accounting Policies

1.2 Financial instruments

Initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through surplus or deficit) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria in section 11.8(b) of the standard, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in surplus or deficit.

1.3 Employee benefits

Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as leave pay and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

Defined contribution plans

Payments to defined contribution retirement benefit plans are charged as an expense as they fall due.

1.4 Revenue

Revenue is recognised to the extent that the trust has transferred the significant risks and rewards of ownership of goods to the buyer, or has rendered services under an agreement provided the amount of revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the trust. Revenue is measured at the fair value of the consideration received or receivable, excluding sales taxes and discounts.

Interest is recognised, in surplus or deficit, using the effective interest rate method.

Donations received are recognised when it is probable that the economic benefits will flow into the trust and that the amount can be reliably measured.
